Manitoba Association of Agricultural Societies
2018 Manitoba Ag Society Provincial Quilt Competition

Judging Points on Quilts

Quilts have a thin interlining and the quilting is done by hand or machine. Comforters have a thick interlining and may be tied, machine or hand quilted. In piece quilts, the joining may or may not be done by hand. All pieces should be joined accurately. The bindings on quilts may be sewn on one side by machine, then on the underside, and hemmed. Quilts and comforters should have separate classes. Novelty types of quilts or bedspreads, which do not have quilting, should be put in a separate class.

(Subject to changes)

1. Competition is open to all quilt exhibitors.
2. The judging criteria are included in the “Judging Standards” Fair book.
3. Quilts may be entered in three categories:
 - Hand quilted

 - Track (mid/long arm) – this includes where the machine rides on wheels and moves over the fabric and is hand guided. No computer programmed quilting will be allowed.
- The quilt must be completely done by the person submitting the quilt.
- No commercial quilting will be allowed (machine quilted by someone other than the exhibitor).

11. Each Society may select up to six quilts (2 hand quilted, 2 self-guided and 2 track) at their Fair to participate in the District Competition. Up to a total of six quilts will be chosen at the District Competition to go to the Provincial Competition.

14. If an exhibitor does not wish to participate in the Provincial Competition, the runner-up quilt with a score higher than 70 will be selected to represent the society in the District Competition.
15. At the district level prize monies will be awarded for the top quilts in each category. At the provincial finals, there will be prize monies available in the Hand Quilted, Self-Guided and Track categories.
